YOUR IMPACT, DOCUMENTED.

Every GMS JV Basketball League sponsor will receive two personalized Sponsor Visibility Reports: one at the midpoint of the season and another following its conclusion.

These reports will provide a transparent overview of each sponsor's visibility and the league's community engagement, including:

Audience Reach: Game attendance and community engagement throughout the season.
Digital Exposure: Social media reach, impressions, and engagement associated with sponsor recognition.
Brand Visibility: Documentation of applicable logo placements, promotional materials, and sponsor acknowledgments.
Community Impact: League participation, student-athlete development, and progress toward making basketball more affordable for Gainesville-area families.

Our goal is to create partnerships that deliver measurable value to local businesses while investing in the next generation of Gainesville athletes.
